Re: MM Docket No. 93-163

In the Matter of

Amendment of Section 73.202(b) RM-8251
Table of Allotments,
FM Broadcast Stations.
(Wilson Creek, Washington)

Dear Ms. Searcy:

Wilson Creek Broadcasting Co., ("Petitioner") and Permittee of FM Broadcast Station KVYF, Wilson Creek, WA (BPH-919717MA) has before the Federal Communications Commission a petition for rule making proposing the substitution of Channel 277C3 for Channel 277A at Wilson Creek and the modification of its construction permit to specify operation on the higher powered channel, and that the public interest would be thereby served.

Petitioner hereby expresses its continued interest in seeing that the channel substitution is made and that the modification of its construction permit as requested is granted.

Petitioner hereby confirms its intention and willingness to apply to the Commission for a construction permit to build an FM broadcast station on the requested or assigned channel at Wilson Creek, Washington.

The undersigned, a United States citizen residing in the State of California at the address indicated below, hereby certifies that the information herein contained is true and accurate of his knowledge and further certifies that the information submitted to the Commission in Petitioner's original petition dated May 6, 1993, was and remains true and accurate of his knowledge.

An original and four copies of this comment are hereby submitted to your office. Should any questions arise, please contact the undersigned.

Respectfully submitted this second day of July, 1993,

Brett E. Miller
